

1 Year Limited Warranty

The Identity Group warrants to the original purchaser of its product that its product is free of defects in material and workmanship when used under normal conditions for a period of one (1) year from the date of invoice. This warranty does not cover periodic maintenance and repair or replacement of parts due to normal wear and tear. Except as set forth herein The Identity Group disclaims all other warranties and makes no other warranties including any expressed or implied warranties with respect to its products, parts, services or repairs, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. No agent of The Identity Group has the right to expand or change this warranty. This warranty of repair or replacement is granted only when the original invoice or receipt bearing the date of purchase is presented together with the defective product. Buyer shall bear the cost of transport and risk of loss or damage during transport. Before shipment, buyer should contact an Identity Group representative at 1-800-347-1044 to discuss the failure of the product and the possible reasons for the failure. The warranty can be voided if buyer makes improper repairs on the product, fails to use the product in accordance with the product directions, installs the product improperly, or the product is damaged by fire, lightning, weather, power surges, environmental conditions, failure to comply with federal, state or local law, or other causes beyond the control of The Identity Group or unrelated to the product construction. Any use of power supplies not approved by Identity Group technicians will void this warranty.

The Identity Group
AdGlo™ Claims Department
1480 Gould Drive
Cookeville, TN 38506
1-800-347-1044

The AdGlo logo is displayed in a large, white, stylized font against a black circular background. The letters 'A', 'd', and 'l' are in a simple sans-serif font, while the 'G' is significantly larger and more rounded, overlapping the 'd' and 'l'. The 'o' is also in a simple sans-serif font. A registered trademark symbol (®) is located to the upper right of the 'o'.

**Installation and
Warranty Information**

The Complete AdGlo® Program

For more information on the complete collection of standard AdGlo® signs and where to purchase them visit www.adglo.com.

Custom AdGlo®

Signs can be fabricated in three proprietary configurations to fulfill your specific needs.

Contour AdGlo®

Creates a glowing outline of virtually any shape.

Backlight AdGlo®

Provides a luminous under-glow of light.

Intralight AdGlo®

Illuminates any logo, letter or graphic from within.

Each configuration is fully customizable and provides attention grabbing illumination to a variety of sign applications. Available in red, amber, blue, green and white, these custom products break through creative boundaries for interior lit signage providing more design flexibility than any other illuminated sign product. Visit www.adglo.com for a gallery of examples.

Installation

- 1 Measure distance between hanger brackets on top of sign. Install desired ceiling attachments the same distance apart if possible.
- 2 Remove s-hooks and chains from parts bag. Insert s-hooks through hanger brackets on top of the sign.
- 3 Slide chains onto s-hooks.
- 4 Insert remaining s-hooks into opposite end of chains.
- 5 Lift sign by the top s-hooks and secure to the ceiling attachments.
- 6 Adjust to desired height by inserting top s-hooks into lower link of chain - one side at a time. Trim excess chain.
- 7 Insert transformer connector wire into plug located at top of sign.
- 8 Plug transformer into a properly grounded outlet.

To ensure safe operation of all AdGlo® products:

- Disconnect from power source prior to handling or servicing.
- Install sign within reach of power source - do not use extension cords.
- Avoid installation or storage in wet or damp areas.
- Recommended for indoor use only.
- Make certain sign is securely attached to ceiling or wall.
- Use only AdGlo™ supplied transformers.
- Do not conceal transformer within an enclosed space.
- Clean with dry or damp cloth, do not use cleaners or solvents. Do not immerse in liquid of any kind.
